## SUPERVISORY COMMITTEE REPORT

Last February, the 1<sup>st</sup> Community Federal Credit Union Board of Directors appointed five volunteers from the Credit Union membership to serve a one-year term on our Supervisory Committee.

The Committee has two primary responsibilities. First, it provides continuing assurance that your Credit Union is operating in compliance with the policies and procedures established by the Board and Credit Union Management. Secondly, it ensures compliance with Credit Union policies as set forth by federal, state and Credit Union regulatory agencies.

In the past year, the Committee reviewed a host of Credit Union programs and activities, to include board policies, investments, loans, technology and security practices, human resources and key ratios. In September, the Committee hosted an independent CPA firm to conduct the annual external financial statement audit. Once again, 1<sup>st</sup> Community received an unmodified opinion audit, a tribute to the dedication, hard work and expertise of your Credit Union's management and staff.

Here at 1<sup>st</sup> Community, our first priority is you, the member. Another of the Supervisory Committee's responsibilities is to assist members who may have experienced problems with their accounts. We stand ready to assist you, however and whenever necessary. You can contact us by calling Michelle Murray at 325/653-1465 or 800/749-1465, or writing to us at the following address.

## PRESIDENT'S REPORT

My staff and I welcome you to the 68th Annual Meeting of 1<sup>st</sup> Community FCU. We want to take this opportunity to thank you, the members, for your continued support of your financial institution.

1<sup>st</sup> Community is considered "well capitalized" by the National Credit Union Administration. We received another excellent rating from Bauer Financial. Bauer Financial has been rating banks and credit unions since 1983 and their creed is "no institution pays for its rating, nor can they elude it".

The employees and Board of 1<sup>st</sup> Community are continuously looking for ways to better serve you. 2020 was another great year. We ended the year again as the #1 local lender for autos in the Concho Valley and continue to make a name for ourselves in the Home Improvement, Home Equity and Home Loan markets and Business Accounts.

This year your Credit Union members received \$32,364 in Cash Back Rewards on Credit Cards issued through the credit union. For Term Share Certificates (CDs) we paid members \$83,363 in loyalty dividends recognizing members for their length of membership in the Credit Union. The FREE (No Service Charge) Checking account we added last year was a great hit, as was the early posting of ACH payroll deposits to accounts. This year our GAP Insurance has been expanded to include balloon auto loans.

We believe our Mission Statement says it all: *"The mission of 1<sup>st</sup> Community Federal Credit Union is people helping people achieve their financial goals."*

1<sup>st</sup> Community was once again a major supporter of the communities we serve in 2020 to better the lives of the residents. We supported the United Way with pledges and fundraisers totaling \$22,446. We are leaders in giving to local schools and universities, kids sports, stock shows, Meals for the Elderly, our military, our 4-legged friends through organizations such as PAWs, and many more worthy causes.

1<sup>st</sup> Community was again a major sponsor for the DESK program in San Angelo in 2020. DESK stands for Donate Educational Supplies for Kids. Through donations, a golf tournament and other fundraising events, DESK was able to donate over \$60,000 in monetary support to S.A.I.S.D. students for school supplies. We look forward to providing you, our members, with the products and services that will help you achieve your own personal goals and to provide the support needed to the organizations that make our communities such wonderful places to live.

We recently had our 15th Annual Recognition Dinner recognizing one employee for their 10 year milestone, two employees for their 15-year milestone and two employees for their 25-year milestone. We are fortunate to have such a great staff. We have 10 employees who have been here between 5 and 10 years; 6 between 10 and 15 years; 9 between 15 and 20 years; 3 between 20 and 25 years; 6 between 25 and 30 years; 1 between 30 and 35 years; 1 between 35 and 40 years and 1 over 40 years! The employees are what make your credit union the best Financial Institution it can be.
